Willoughby, Ohio - Six members of CT Consultants' professional staff recently received accreditation in Leadership in Energy and Environmental Design (LEED).

Daniel Bonham, E.I.T., LEED AP is a Project Manager in CT's Construction Services Division.

Sam Morgan, P.E., LEED AP is a Project Manager in CT's Construction Services Division.

Timothy R. Lannon, P.E., LEED AP is a Manager of CT's Land Development and Survey Divisions.

Lene C. Schneider, P.E., LEED AP is a Lead Civil Engineer in CT's Land Development Division.

Jonathan R. Meola, P.E., LEED AP is a Mechanical Engineer in the A/M/E Division.

J. Wesley Hall, P.E., LEED AP is Regional Manager for CT's Columbus, Ohio Office.

Developed by the U.S. Green Building Council (USGBC), LEED provides building owners and operators a concise framework for identifying and implementing practical and measurable green building design, construction, operations and maintenance solutions.

CT Consultants has made a corporate commitment to have members of our staff obtain the LEED AP in response to the growing needs of our clients to develop environmentally sound and energy efficient projects.
