AGREEMENT

This AGREEMENT, made this _____ day of _____, 2024 (the "Effective Date") between _____ (the "Contractor"), with offices at _____, and Ashtabula County, 25 W. Jefferson St., 2nd Floor, Old Courthouse, Jefferson, OH 44047 (the "County") for the _____ Project in Ashtabula County.

WITNESSETH: That the parties hereto, for and in consideration of Covenants and Agreement to be performed by each as hereinafter set forth, do hereby agree as follows:

ARTICLE I THE WORK

The Contractor shall furnish all the labor, services, materials, plant, equipment, tools, scaffolds, appliances, transportation, and all other things (collectively called the "Work") necessary for the timely and proper completion of the Work described in the Contract Documents for the Project as set forth in Exhibit A. In the event of inconsistencies within or between the [Contract/Bid] Documents, the Contractor shall provide the better quality or greater quantity of Work and shall comply with the more-strict requirement.

ARTICLE II TERM

The term of this Agreement shall commence on the Effective Date and continue through July 19, 2024 (the "Completion Date"), unless otherwise terminated earlier as provided below (the "Term").

ARTICLE III COMPENSATION AND PAYMENT

3.1 The Contractor's total compensation for the Work shall be \$476,731.47 (the "Contract Price").

3.2 Contractor is subject to and responsible for paying fees to obtain all applicable licenses, permits, and other permissions necessary to perform its obligations under this Contract. Contractor is responsible for paying federal, state, and local taxes. Contractor agrees to withhold all income taxes due or payable for qualifying wages, salaries, and commissions paid to its employees and further agrees that any of its sub-contractors shall be required to agree to withhold any such income taxes due for services performed under this Contract.

3.3 The Contractor shall submit monthly to the County an itemized Application for Payment for Work performed on a form satisfactory to the County.

3.4 The Application for Payment shall be supported by documentation substantiating the Contractor's right to payment. The Contractor shall supply such additional documentation as the designated representative of the county ("County's Representative") may request in connection with each payment to the Contractor.

Certified payroll reports for the period of time indicated shall be attached to one copy of every Application for Payment.

The Contractor shall list on the Application for Payment any approved Change Orders processed and performed during the time covered by the Application for Payment.

Payment of an approved Application for Payment shall be made within 45 days from the date of approval by the County's Representative. The County reserves the right to require proof of the renewal of required insurance as a condition precedent to payment.

The amount of Liquidated Damages to which the County is apparently entitled under the Contract Documents may be deducted from any Application for Payment by the County's Representative.

3.5 The County reserves the right to decline to approve any Application for Payment or part thereof, or because of subsequent evidence or inspection, may nullify any previous Application for Payment, in whole or in part, to such extent as may be necessary in the County's Representative's opinion to protect the County from loss because of:

- (a) Defective or nonconforming Work ("Defective Work") not remedied;
- (b) Damage caused by the Contractor;
- (c) Failure to comply with the requirements of Chapter 4115, ORC;
- (d) Liquidated damages in the amount set forth in the Contract Documents ("Liquidated Damages").

If the basis for withholding payment pursuant to this Section is removed, payment shall be made for amounts withheld because of the basis.

3.6 The Contractor, as a condition precedent to execution of the certificate of Contract Completion and to final payment, shall provide all documents required for approval by the County's Representative.

Payment of the final Application for Payment shall be made within 45 days from the date of approval by the County's Representative.

3.7 The making of final payment by the County shall constitute a waiver of all claims by the County except those arising after Contract Completion and the following:

- (a) Defective Work;
- (b) Outstanding liens;
- (c) Failure of the Contractor to comply with any Warranties or Guarantees required by the Contract Documents.

The acceptance of final payment by the Contractor shall constitute a waiver of all claims against the County except those that the Contractor has previously made in writing in accordance with Article IX and which remain unresolved at the time of final payment. This provision is intended to be, and shall be construed as, consistent with, and not in conflict with, Section 4113.62, ORC, to the fullest extent permitted.

ARTICLE IV
SCHEDULE

Time is of the essence to this contract. The rate of progress shall be such as to complete the Work within the time limit specified herein.

In the event that the Work is not completed within the time limit aforesaid, the Contractor shall reimburse the County an amount equal to the County's costs for and expenses of Project inspections, supervision and similar engineering services provided by or for the County after the expiration of the aforesaid time limit, and until completion and acceptance of the Work.

In addition, in the event that the Work is not substantially completed within the time limit aforesaid, with said incompleteness prohibiting beneficial use and occupancy of the Project, in compensation for the public's loss of use of the Project, the Contractor shall forfeit Liquidated Damages.

Such amounts shall be deducted by the Engineer from the partial or final estimates to be allowed the Contractor.

The Board of County Commissioners may for good cause shown, extend the time of completion. Any such extension of time shall not be deemed a waiver by the County of any other rights provided for under this contract, and shall not operate to release any Surety from any of bond obligations.

ARTICLE V
CHANGES

The County, without invalidating the Agreement, may order changes in the Work consisting of additions, deletions or other revisions, including without limitation revisions resulting from an extension granted in accordance with Article IV. To the extent the time for the Completion Date or the Contract Price is affected, the Contract may be equitably adjusted by Change Order in accordance with this Article.

[The Contractor shall proportionately increase the amount of the Bond whenever the Contract Price is increased.

If notice of any change affecting the Contract is required by the provision of any Bond, the giving of any such notice shall be the Contractor's responsibility, and the amount of each applicable Bond shall be adjusted accordingly.]

The Contractor shall not proceed with any change in the Work without the required written authorization. If the Contractor believes that any item is not Work required by the Contract Documents, the Contractor shall obtain a Change Order before proceeding with such item. Except as provided in Article IX, failure to obtain such a Change Order shall constitute a waiver by the Contractor of any Claim for additional compensation for such item.

ARTICLE VI
WARRANTIES

In addition to any other warranties, guarantees, or obligations set forth in the Contract/Bid Documents or applicable as a matter of law and not in limitation of the terms of the Contract Documents, the Contractor warrants and guarantees that:

- The County will have good title to the Work and all materials and equipment incorporated into the work will be new;
- The Work and all materials and equipment incorporated into the Work will be free from all defects, including any defects in workmanship or materials;
- The Work and all equipment incorporated into the Work will be fit for the purpose for which intended;
- The Work and all materials and equipment incorporated into the Work will be merchantable; and,
- The Work and all materials and equipment incorporated into the Work will conform in all respects to the Plans and Specifications.

Upon notice of the breach of any of the warranties or guarantees under the Contract Documents, the Contractor, in addition to any other requirements in the Contract Documents, shall commence to correct such breach and all damage resulting therefrom within forty-eight (48) hours after written notice thereof, thereafter shall use its best efforts to correct such breach and damage to the satisfaction of the County and, except when an extension of time is granted in writing by the County, correct such breach and damage to the satisfaction of the County within thirty (30) days of such notice; provided that if such notice is given after final payment hereunder, such 48-hour period shall be extended to seven (7) days. If the Contractor fails to commence to correct such breach and damage, or to correct such breach and damage as provided above, the County, upon written notice to the Contractor and without prejudice to any of its other rights or remedies, may correct the deficiencies. The Contractor upon written notice from the County shall pay the County, within ten (10) days after the date of such notice, all of the County's costs and expenses incurred in connection with or related to such correction and/or breach, including without limitation the County's administrative, legal, and consulting expenses. The foregoing warranties and obligations of the Contractor shall survive the final payment and/or termination of this Agreement. If the Contractor fails to pay the County any amounts due under this Section, the Contractor shall pay the County, in addition to the amounts due, a late payment fee of one and one-half percent (1.5%) per month for each month or part thereof that the payments are not paid when due.

ARTICLE VII
INSURANCE AND INDEMNIFICATION

7.1 The Contractor shall maintain insurance as set forth in the Contract Documents.

7.2 To the maximum extent permitted by law, the Contractor shall indemnify and hold harmless the County and the County's consultants, agents, and employees from and against all claims, damages, losses, and expenses—whether proven or not—including but not limited to attorneys' and consultants' fees—whether made by County or a third-party—arising out of or related to the Contractor's performance of the Work including but not limited to the failure of the Contractor to perform its obligations under the Contract Documents, any claims for bodily injury, sickness, disease, or death or to injury to or destruction of or loss of use of real or personal property including the Work itself, claims for additional storage and handling charges, liens against funds, claims related to the alleged failure of the Contractor to perform in accordance with the Contract Documents, and/or claims related to the removal, handling, or use of any hazardous materials. The County may set off amounts equal to any sums for which it is entitled to be indemnified from the amounts otherwise due the Contractor under the Contract Documents.

7.3 The County's total liability under this Agreement shall be limited to the amount set forth in the Auditor's certificate accompanying this Agreement. Under no circumstances shall the elected officials, officers, employees, council members, or agents of the County be personally liable for any obligations or claims arising out of or related to this Agreement. No Change Order to the Contract shall be effective against the County without a new Auditor's certificate.

ARTICLE VIII
SUSPENSION AND TERMINATION

8.1. The County may, without cause, order the Contractor to suspend, delay, or interrupt the Work in whole or in part for such period of time as the County may determine.

An adjustment shall be made for increases in the cost of performance of the Work, including profit and overhead on the increased cost of performance, caused by the suspension, delay or interruption, provided that the total cost of profit and overhead shall not exceed 2% of the amount of the increased cost not attributable to profit or overhead. No adjustment shall be made to the extent that: performance is, was or would have been so suspended, delayed or interrupted by another cause for which the Contractor is responsible; or an equitable adjustment is made or denied under another provision of this Agreement.

8.2 The County may, in its discretion and without cause, by written notice to the Contractor terminate this Agreement for the County's convenience.

Upon receipt of a written notice from the County terminating this Agreement without cause and for the County's convenience, the Contractor shall (i) immediately cease performing the Work, unless otherwise directed by the County, in which case the Contractor shall take the action directed by the County, (ii) take all reasonable and necessary action to protect and preserve the Work, and (iii) unless otherwise directed by the County, terminate all agreements with Subcontractors and suppliers.

If this Agreement is terminated without cause and for the County's convenience and there exists no event of the Contractor's default, as defined in this Agreement, the County will pay the Contractor (i) for Work performed under this Agreement up to the date the notice of termination is received by the Contractor at the rates for Work performed under this Agreement, including overhead and profit of 2% on the Work performed up to the date of termination.

If this Agreement is terminated without cause for the County's convenience and there exists an event of the Contractor's default, as defined in this Agreement, the Contractor shall be entitled to receive only such sums as it would be entitled to receive following the occurrence of an event of default under this Agreement. The termination of this Agreement shall be without prejudice to any rights or remedies that exist at the time of termination.

8.3 If the County determines that the Contractor has failed to prosecute the Work with the necessary force or in a timely manner, or has refused to remedy any Defective Work, the County's Representative shall notify the Contractor and the Contractor's Surety of such failure or refusal. The Contractor shall begin to cure such failure or refusal within 5 days of receipt of the notice.

If the Contractor fails to cure such failure or refusal within 20 days of receipt of the notice, the County may terminate the Contract and employ upon the Work the additional force, or supply the materials or such part of either as is appropriate, and may remove Defective Work.

If the Contractor is so terminated, the Contractor's Surety shall have the option to perform the

Contract. If the Contractor's Surety does not commence performance of the Contract within 10 days of the date on which the Contract was terminated, the County may complete the Work by such means as the County's Representative deems appropriate. The County may take possession of and use all materials, facilities and equipment at the Project site or stored off site for which the County has paid.

If the Contractor is so terminated, the Contractor shall not be entitled to any further payment. If the County completes the Work and if the cost of completing the Work exceeds the balance of the Contract Price, including compensation for all direct and consequential damages incurred by the County, or the County as a result of the termination, such excess shall be paid by the Contractor or the Contractor's Surety.

If the Contractor's Surety performs the Work, the provisions of the Contract Documents shall govern such Surety's performance, with the Surety being substituted for the Contractor in all such provisions including, without limitation, provisions for payment for the Work and provisions about the right of the County to complete the Work.

Upon a final determination, by a court of competent jurisdiction, that the termination pursuant to this Section was improper, the termination shall be deemed a termination for convenience to Section 8.2.

ARTICLE IX DISPUTE RESOLUTION

9.1 If any dispute or difference of any kind (a "Dispute") arises between the Parties in connection with, or arising out of, this Agreement, the Contractor and County within 30 days shall attempt to settle such Dispute in the first instance through discussions. The designated representatives of Contractor and County shall promptly confer and exert their best efforts in good faith to reach a reasonable and equitable resolution of such Dispute. If the representatives are unable to resolve the Dispute within fifteen (15) Business Days, the Dispute shall be referred within two (2) Business Days of the lapse of the fifteen (15) Business Day period to the responsible senior management of each party for resolution. Neither party shall seek any other means of resolving any Dispute arising in connection with this Agreement until the responsible senior management of Parties have had at least an additional fifteen (15) Business Days to resolve the Dispute following referral of the Dispute to them.

9.2 The Courts of Ashtabula County shall retain exclusive jurisdiction to resolve any disputes between the parties to the extent in which the parties cannot resolve their disputes within a reasonable amount of time. This agreement does not prohibit the parties from seeking mediation before litigation.

9.3 During the pendency of any mediation or litigation the Parties shall continue to perform their obligations under this Agreement subject to Court Order.

ARTICLE X MISCELLANEOUS

10.1 No modification or waiver of any of the terms of this Agreement or of any other Contract Documents shall be effective against a party unless set forth in writing and signed by or on behalf of a party, which in the case of the County shall require the signature of the County's Representative acting under the authority of a specific resolution of the County. Under no circumstances shall forbearance, including the failure or repeated failure to insist upon compliance with the terms of the Contract Documents, constitute the waiver or modification of any such terms. The parties

acknowledge that no person has authority to modify this Agreement or the other Contract Documents or to waive any of its or their terms, except as expressly provided in this Paragraph.

10.2 The Contractor may not assign this Agreement without the written consent of the County, which the County may withhold in its sole discretion.

10.4 All questions regarding the validity, intention, or meaning of this Agreement or any modifications of it relating to the rights and obligations of the parties shall be construed and resolved under the laws of the State of Ohio. Any suit, which may be brought to enforce any provision of this Agreement or any remedy with respect hereto, shall be brought in the Common Pleas Court of Ashtabula County, Ohio, and each party hereby expressly consents to the jurisdiction of such court.

10.5 Regardless of any provision to the contrary, the statute of limitations with respect to any defective or non-conforming Work that is not discovered by the County shall not commence until the discovery of such defective or non-conforming Work by the County.

10.6 Notices, requests, or demands by either party shall be in writing, unless otherwise expressly authorized, and shall be personally served, forwarded by expedited messenger service, sent by facsimile transmission, or be given by registered or certified mail, return receipt requested, postage prepaid, and, in the case of the County, addressed to the address/FAX number set forth at the beginning of this Agreement with a copy sent to Ashtabula County Prosecutor's Office, 25 West Jefferson St., Jefferson, OH 44047 and, in the case of the Contractor, addressed to its address/FAX number set forth at the beginning of this Agreement. 10.7 The parties acknowledge that each party has reviewed this Agreement and the other Contract Documents and has voluntarily entered into this Agreement. Accordingly, the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Agreement, the other Contract Documents, or any amendments or exhibits to it or them.

10.8 If any term or provision of this Agreement is found to be illegal, unenforceable, or in violation of any laws, statutes, ordinances, or regulations of any public authority having jurisdiction, then, notwithstanding such term or provision, this Agreement shall remain in full force and effect, and such term shall be deemed stricken; provided this Agreement shall be interpreted, when possible, so as to reflect the intentions of the parties as indicated by any such stricken term or provision.

10.9 The Contractor, at its expense, shall comply with all applicable federal, state, and local laws, rules, and regulations applicable to the Work. Including, but not limited to, Ohio's Prevailing Wage law if applicable.

10.10 The Contractor shall follow all applicable safety and health regulations during the progress of

the Project and shall monitor all of its employees and its subcontractors for compliance with such safety and health regulations. In undertaking the responsibilities set forth in this Paragraph, the Contractor does not assume any duty or responsibility to the employees of any Subcontractor or supplier, regardless of tier. The County assumes no responsibility for the development, review, or implementation of the any project safety plan or for Project safety and has no authority to direct the means and methods of the Contractor.

10.11 Contractor agrees that, in the hiring of employees for the performance of work under the Contract or any subcontract, no contractor, subcontractor, or any person acting on a contractor's or subcontractor's behalf, by reason of race, creed, sex, disability or military status as defined in section 4112.01 of the Revised Code, or color, shall discriminate against any citizen of the state in the employment of labor or workers who is qualified and available to perform the work to which the employment relates. Contractor further agrees that neither it, its subcontractors, or any person on the Contractor's or subcontractor's behalf, in any manner, shall discriminate against or intimidate any employee hired for the performance of work under the contract on account of race, creed, sex, disability or military status as defined in section 4112.01 of the Revised Code, or color. Section 153.60 for each person who is discriminated against or intimidated in violation of this Agreement. That this Agreement may be canceled or terminated by the County and all money to become due hereunder may be forfeited for a second or subsequent violation of the terms of this section of this Agreement.

10.12 This Agreement and the other Contract Documents constitute the entire agreement among the parties with respect to their subject matter and will supersede all prior and contemporaneous, oral or written, agreements, negotiations, communications, representations, and understandings with respect to such subject matter, and no person is justified in relying on such agreements, negotiations, communications, representations, or understandings.

AMERICAN IRON AND STEEL ACKNOWLEDGEMENT

The Contractor acknowledges to and for the benefit of the City of _____ (“Purchaser”) and the State of Ohio (the “State”) that it understands the goods and services under this Agreement are being funded with monies made available by the Clean Water State Revolving Fund and/or Drinking Water State Revolving Fund that have statutory requirements commonly known as “American Iron and Steel;” that requires all of the iron and steel products used in the project to be produced in the United States (“American Iron and Steel Requirement”) including iron and steel products provided by the Contractor pursuant to this Agreement. The Contractor hereby represents and warrants to and for the benefit of the Purchaser and the State that (a) the Contractor has reviewed and understands the American Iron and Steel Requirement, (b) all of the iron and steel products used in the project will be and/or have been produced in the United States in a manner that complies with the American Iron and Steel Requirement, unless a waiver of the requirement is approved, and (c) the Contractor will provide any further verified information, certification or assurance of compliance with this paragraph, or information necessary to support a waiver of the American Iron and Steel Requirement, as may be requested by the Purchaser or the State. Notwithstanding any other provision of this Agreement, any failure to comply with this paragraph by the Contractor shall permit the Purchaser or State to recover as damages against the Contractor any loss, expense, or cost (including without limitation attorney’s fees) incurred by the Purchaser or State resulting from any such failure (including without limitation any impairment or loss of funding, whether in whole or in part, from the State or any damages owed to the State by the Purchaser). While the Contractor has no direct contractual privity with the State, as a lender to the Purchaser for the funding of its project, the Purchaser and the Contractor agree that the State is a third-party beneficiary and neither this paragraph (nor any other provision of this Agreement necessary to give this paragraph force or effect) shall be amended or waived without the prior written consent of the State.
