Re: *Addendum No. 1*
Saybrook Township Pump Station Improvements
Ashtabula County Board of Commissioners

Date: May 22, 2020

This Addendum forms a part of the contract documents and modifies the original bidding documents dated April 2020 and all previous addenda, if any. Acknowledge receipt of this addendum in the space provided in the bid forms. Failure to do so may subject the bidder to disqualification.

GENERAL

1. The Engineer's Estimate for the Architectural and Process Work shall be \$1,820,000.
2. Materials removed at each pump station location shall be the property of the Ashtabula County DES.
3. Pumps to be replaced at each station are selected to match the manufacturer of the existing pumps and to allow for the older pumps to serve as spares. Therefore, manufacturers other than the ones indicated will not be accepted.
4. Contractors may submit bids for one or both contracts; contracts for each will be awarded to the lowest qualified bidder without consideration of combined bids.

SPECIFICATIONS

1. Replace Specification Section 011100 with 011100-REV, attached. *Note, page 011100-5, the system map, has not been replaced.*
2. Replace Specification Section 432100 with 432100-REV, attached.
