## **STANDARD SPECIFICATIONS**

The Construction and Material Specifications(CMS) of the City of Columbus (COC), latest edition, including all supplemental specifications and standard drawings, shall govern all work not covered by the rules, regulations, and specifications of the Village of Sunbury. In case of a conflict the more stringent requirement shall take precedence as determined by the discretion of the Village of Sunbury and Design Engineer.

All contract specifications accompanying these plans are to be considered a part thereof. Approval of these plans shall be in accordance with the Village of Sunbury, and all work to be completely acceptable to the Village of Sunbury officials. Any modification to the work shown on these drawings must have prior written approval by the Village of Sunbury.

The Village of Sunbury reserves the right to direct project specific changes to any Village construction note and specification.
