CT Consultants is proud to announce that Wes Hall, P.E., LEED AP has been selected as the recipient of the Cleveland Engineering Society 2013 Hall of Fame Award presented at the CES 61<sup>st</sup> Annual Design and Construction Conference on March 14, 2013. The Cleveland Engineering Society Hall of Fame Award is the highest award given to an individual by the Society. It is presented to an engineer for the purpose of honoring his or her outstanding achievements or career in the field of engineering, architecture, construction, or related areas for the betterment of professional efforts beyond the day-to-day routine of a candidate's work and business with outstanding contributions to the profession, the public welfare, and/or humankind.

As CT's Vice President of Civil Engineering and Land Development, Mr. Hall is responsible for the management of staff and projects for a wide variety of public and private sector clients. He is a member of the firm's Board of Directors and he serves as Corporate Secretary.
