CT CONSULTANTS NAMES CLEVELAND TO LEAD PENNSYLVANIA PROJECT DEVELOPMENT EFFORTS

CT Consultants, Inc. is pleased to announce the addition of Richard S. Cleveland to its staff. Mr. Cleveland joins CT Consultants as Project Development Consultant in Pennsylvania. His responsibilities will include project development, project funding, client development and creating teaming relationships for future growth.

Mr. Cleveland has 25 years of experience managing projects, budgets, project construction management, and marketing. He has extensive project funding experience including grant writing and developing capital fundraising campaigns. Prior to joining CT, Rich served as Community Development Director and Economic Development Director at the Redevelopment Authority in Washington County, PA. He has secured funding from various agencies including Department of Community & Economic Development, Department of Conservation & Natural Resources, Department of Transportation, and Capital Budget Assistance. He assisted clients to secure over \$100 million for projects; one funded project produced \$4 million of private investment to existing buildings and a commitment from private developers to create \$50 million in new development. He routinely coordinates projects with the many stakeholders including Redevelopment Authority, County Commissioners, Mayor and Council, engineers, architects, contractors, attorneys, local residents, and businesses. He is experienced with HUD regulations for qualifying and performing projects under the Federal Community Development Block Grant Program.

Rich is a graduate of Slippery Rock University with a Bachelor of Science in Business Management. He is a member of the American Planning Association and Board Member of the City of Washington Community Development Corporation.
