## **OMESSP Minority Engineering Scholarship Recipients Announced**

The recipients of the 2018 Ohio Minority Engineering Student Scholarship Program (OMESSP) sponsored by CT Consultants, Inc. in collaboration with Ohio Legislative Black Caucus (OLBC), the National Society of Black Engineers (NSBE), and New Visions Group, LLC have been announced.

The purpose of the OMESSP is to foster minority students majoring in civil engineering through mentorship and financial assistance. The 2018 recipients are listed below:

First Name	Last Name	School	Scholarship	Amount
Michael	Simpson	University of Dayton	Ed Hogan	\$5,000.00
Asha	Brown	University of Akron	OMESSP	\$2,500.00
Romell	Bolden	University of Akron	OMESSP	\$2,500.00

The Ohio Minority Engineering Student Scholarship Program offers four \$2,500 scholarships on an annual basis to students enrolled in an accredited Ohio college or University civil engineering program. The Ed Hogan Scholarship is a \$5,000 scholarship established in 2017. Since the programs establishment 2008, 29 scholarships have been awarded to undergraduate students from seven Ohio colleges and universities totaling \$77,500.

“As CT Consultants continues to grow and expand our business, we are continually looking for talented engineers. We seek to nurture civil engineering talent, and the firm is committed to assisting students with outstanding potential looking to participate in the engineering field,” Christina LeGros Executive Vice President of CT Consultants.
