CT Consultants Announces New Ecological Services Team

For Immediate Release

CT Consultants is pleased to announce that Carrie Ricker, Emmett Messer-Kruse, and Adam Zaryk have joined the firm's newly formed Ecological Services division.

Ricker

Messer-Kruse

Zaryk

Carrie Ricker serves as the Director of Ecological Services for CT Consultants' the newly formed group. Carrie is a certified Professional Wetland Scientist with over six years of experience in ecological consulting services and project management. She has overseen hundreds of ecological consulting projects and obtained her Bachelor's degree in Environmental Science from the University of Akron. Carrie has additional certifications in Wetland Delineation, Plant Identification, and Ohio Rapid Assessment Methodology.

Emmett Messer-Kruse joins CT as a Senior Environmental Specialist. He has four years of experience as an environmental scientist specializing in wetland ecology and project management. Emmett attended Ohio University and received a Bachelor's of Science in Wildlife and Conservation Biology. He is a knowledgeable consultant capable of developing plans and coordinating projects in order to resolve or prevent environmental problems.

Adam Zaryk serves as an Environmental Technician within CT Consultants' Ecological Services division. Before joining CT, Adam worked as an environmental technician and environmental scientist specializing in aquatic invertebrates. Adam attended Kent State University and received a Bachelor's of Science in Environmental and Conservation Biology.

About CT Consultants
